

## Private Camping in central location between the Blackwood Valley and Southern Forests

Perfect for Small Groups up to 20 people

We invite you to bring a group to our farm located strategically on the corner of Graphite Road and Vasse Highway (Nannup) in the scenic southwest. We have a flat shady grassy area under chestnut trees, perfect for camping in from April – November.

We grow lavender and some small food crops and have a beautiful outlook out to Carlotta Creek Valley.

Our farm isn't suitable for children or dogs it is rocky and we have birds roaming around. Camping is most suitable for small groups of adults wanting to explore the Blackwood River Valley, Southern Forrests and Margaret River – Augusta areas from a central base.

We allow tents or camper trailers, as ours is a sloping site we do not have room for caravans and there is no power access.
